FAO Parent/Carers of Year 6 pupils - Safeguarding

It has been brought to my attention that many of our pupils are using Instagram (age 13+) and many other social media sites.

There has been an incident where a pupil has been in contact with a suspected predator and this same male has then contacted another pupil from Hollywood School. The police are currently in receipt of this information and are investigating this. The parents have also been contacted.

Please be extra vigilant. If you allow your child to use these social media sites which are all for age 13+ then ensure you check their privacy settings and create an account for yourself so you can see their activity.

I would also recommend checking what they are looking at on a regular basis.

Grooming is something that happens over a period of time and these predators are very clever at winning the trust of our young people.

If you have any worries, concerns or information then please contact myself, Miss Parkes or Miss Rose.

Thank you for your support

Mr S. Dix
