

Hollywood Primary School Curriculum Overview – 2021/22

At Hollywood we recognise the value of a range of accredited curriculum strategies and use these to influence our long term planning. However, we make amendments or additions to yearly overviews to ensure content is matched to the needs of our particular children.

Subject	Approach/Materials used (in conjunction with National Curriculum 2014)
English	<u>Talk for Writing</u> School planned long term plan
Reading	<u>Shared Reading (Ks2)</u> <u>Guided Reading (Ks1)</u> School planned long term plan
Phonics	<u>Little Wandle</u>
Maths	<u>Teaching for Mastery</u> Long term plan adapted from NCETM Curriculum Prioritisation Materials
History, Geography, Science, Art	Long term plan adapted from <u>Curriculum with Unity Schools Partnership (CUSP)</u>
Design and Technology	School planned long term plan
French	School planned long term plan
Computing	Long term plan adapted from Purple Mash
PHSE	<u>Jigsaw</u> long term plan
Music	School planned long term plan
Physical Education	Long term plan adapted from <u>PE Hub</u>

Our objectives are provided by the materials detailed in the table. Teachers then use their own expertise to plan carefully matched learning opportunities across a series of lessons or weeks.

In CUSP subjects, children have dual coded knowledge organisers for a module and knowledge notes for each lesson, these help to ensure a consistent approach to learning and vocabulary and provide a valuable retrieval tool for children.

We have seen the impact of this and are developing knowledge notes for other subjects in the academic year 2021/22.
